Westlake & MacArthur Park's story goes back to the late 1800s. The neighborhood's park was built around a reservoir that was connected to the LA River. By the 1920s, West 7th St had developed into one of LA's first high-end shopping districts.

Today, MacArthur Park's diverse immigrant culture is thriving alongside new development as well as a newfound interest in revitalizing the neighborhood's landmark buildings including the Hayworth Theatre and the MacArthur Park Plaza.
